Mr. Michael McCarthy  
General Manager  
Addison Reserve Country Club  
72-1 Addison Reserve Blvd.  
Delray Beach, FL 33446

Dear Michael:

It gives me the greatest pleasure to inform you and your Board that Addison Reserve Country Club has achieved the status as a Platinum Club of America. Even more notably your great club, which had never before been recognized as a Platinum Club of America in the fifteen years of the award's existence, has leaped in esteem into the top 15 residential community clubs in America. A most remarkable advance – one that no residential community club has accomplished before!

Addison Reserve Country Club's perceived excellence of services to membership, quality of club facilities, heritage, and enlightened leadership from management and Board has been recognized in a just-completed survey conducted every three years by *Club Leaders Forum*.

To be selected by the club managers and club presidents of America's 6,000 private clubs as a Platinum Club is the ultimate recognition of club excellence – equivalent to the esteemed Mobil 5 Star rating of hotels and resorts. Only three percent of our nation's clubs earn this honor.

This excellence merits your celebration as a 2009 Platinum Club of America – and our heartiest congratulations!
